Dear Parent / Carer

## **Out of School Day Care and Holiday Club Price Increase**

We wish to inform you that with effect from **Monday 2 March 2015**, we will be increasing the sessional prices for the After School Club and the Holiday Club. Please note that this is the first time After School Club fees have been increased for 4 years and is a direct result of us needing to be able to continue to offer high quality service by high quality staff. The After School Club is a charitable organisation and as such needs to break even. In its last financial year the company was in the black by £533.00 which was subsequently spent on resources. I hope that you can appreciate that this figure is too low a contingency to be operating with which is why the directors have taken this decision.

From Monday 2 March 2015, the second session of After School Club will now be charged at £7.00 per child per day; and the first session at £6.00. Therefore, if your child attends both sessions, the new daily cost will be £13.00 per child, per day.

With effect from the Easter Holiday Club (Monday 30 March – Thursday 2 April 2015), the hourly rate will increase from £3.00 per hour to £4.00 per hour. The all-inclusive weekly rate, (which includes all meals and activities,) will now be £131.25 per 5-day week. For a child attending all week, this works out at £2.50 per hour, which I am sure you will agree, remains extremely cheap.

Thank you for your understanding and your continued support.

Yours sincerely

Warren Harrison  
Chief Executive Officer
