

Dance/ Workout Studio - Information Sheet

Our state of the art dance and workout studio consists of a fully sprung floor covered with a premium vinyl for long lasting protection, married with a comprehensive sound and lighting system. The dance studio has a max capacity of 10 adult or 18 children, perfect for rehearsals, training or fun!

Dance/ Workout Studio Facilities:

- Fully Sprung Floor w/ Permanent Vinyl Covering
- Move-able Ballet Barre
- Floor To Ceiling Mirrors
- Lighting System
- 15 Soft Exercise Mats
- Projector with Interactive White Board
- Black Stage Curtains
- Wireless Network (WiFi)
- Comprehensive Sound System, w/ Sound Proofed Walls

Also available for hire, at an additional cost; sound and lighting technician, cleaning staff, first aiders and a variety of equipment. Our sound and lighting technician is able to help on the night and in the run up with practises and guidance at an hourly rate. Catering options can range from light refreshments, such as tea and coffee, to more comprehensive buffets which will be served in the canteen below the dance studio.
