Dear Parents/Carers

Summer Holiday Day Camp @ TPA

Following a consultation with the children we are replacing Holiday Club with a Day Camp to cater more for the children's desires. We will essentially be grouping children by age and providing sporting activities with fit active staff and craft activities with the more crafty staff! We will also be arranging a weekly Wednesday excursion in Day Camp which may require a small supplement but we will try to keep the costs down.

We are also changing the way that we charge for Day Camp to allow us to plan our staffing better and to allow us to facilitate excursions. The big change will be that we will now offer three different slots.

BREAKFAST	AM	PM
7.30am - 8.30am	8.30am - 1.00pm	1.00pm – 6.00pm
Breakfast	Snack & Lunch	Snack & Dinner

You will receive a flyer and a booking form next week with much more information however we will have a bouncy castle for the younger ones and a water slide of the older children in addition to the many craft and cooking activities and plenty of field sports and some new additions like bowling, pool and table tennis.

If booking for the full week the price works out at less than £3.50/hour and will include three meals and snacks! Bargain!

Avoid The Swelter With Benching And Shelter

We have recently spent some significant money on providing some quiet sheltered areas for the children to sit and relax and have invested heavily in better playtime and lunchtime resources.

To Be The Best We Have To Invest

Part of my mission at TPA has always been to raise additional funds from national grant awarding bodies which is why we have two fabulous halls. This year we have been successful in being awarded over £140,000 to improve fire safety in school so please keep your eyes peeled for improvements between now and April 2018! There are two great rules for investing which you may not have heard. "Rule No. 1: Never lose money. Rule No. 2: Never forget rule No.1" Warren Buffett.

Shanks' Pony and Walking Home

The governors have determined that from September only children in Year 5 and Year 6 will be allowed to walk home alone (with written permission in place) unless accompanied by an adult or a sibling who is over 16. This follows two occasions this year when we have had to call the police because children have not gone home despite permissions being in place.

In addition to this all children in Year 4 and below will need to be collected at the classroom door.

Nursery Leaflets

If you have a shop or company and could promote our sister Nursery by displaying or handing out flyers then please let us know and we will get some to you. Falling birth rates locally will mean school closures so we need to make sure that we stay ahead of the pack and on top of our game.

Bletchley's Best Kept Secret And Community Support

For some reason or another, which I am reluctant to speculate over for obvious reasons, there are very few children of school age due to start school in Reception in September in Milton Keynes.

Some schools are being so badly hit by the fall in birth-rate that they have fewer than 50% of their places filled for September. We are not immune to this and by now we are usually well oversubscribed but we still have a small number of vacancies for September which we need to fill in order to be fully funded. Therefore if you know someone who doesn't have a place for September or who is undecided or unhappy with their allocated school then please promote TPA. So many people don't even know that we are here and it may be time to change that!

One More Thing

Sunday 24 June – 1.00pm
COME ON ENGLAND!

Enjoy the sun and have a great weekend!

Yours sincerely

Warren Harrison
