Alexander Kibeedi
Treasurer

We are really excited about our new roles in school and we will keep you up-to-date with important events through a Council newsletter like this one at least once each term.

There are two councillors in each class from Year 2 upwards, except for Year 6 where we will be leading, and we will be meeting with them regularly to hear about all the ideas that their classes have to make TPA even better than it already is.

Playground Appeal

We are continuing with our efforts to raise money for the Playground Appeal which is our main focus for money raising activities this year - the current total is **£5898**.

The Alzheimer's Society

The Alzheimer's Society is the UK's leading dementia support and research charity. The money we raise on non-uniform days will be split between the Playground Appeal and our chosen charity. We welcome any fundraising ideas from all children (and parents/carers), so please get your thinking caps on and pop your suggestions in to the class 'Sharing is Caring' box.

We are pleased to report that our first non-uniform day raised **£161.13** for the Alzheimer's Society.

Recycling Scheme

One of our first projects is to make our school environment greener. We know it is important to protect the planet and prevent climate change so we at TPA are starting a recycling scheme - details to follow.

Stationery Stop

During the Book Fair children had the opportunity to spend their money at the Stationery Stop and we raised **£251.20!** Thank you for your support.

Tubs4Tablets

Flora and Tesco are giving schools the opportunity to get Samsung Galaxy Tab 7.0" touch screen tablets by collecting tokens from special tubs of Flora. Please bring them in and put them in your class 'Caring is Sharing' box. 50 tokens = 1 tablet, so let's try to earn some!

Thanks for reading this up-date. We look forward to sharing more news soon.

Yours sincerely
The Academy Council Team
