## TEACHER'S ADVERT

At The Premier Academy, we are more than just an 'Outstanding' school – we are a community that truly cares. Located in the heart of Bletchley, we are proud to be the most diverse primary school in Milton Keynes. It is a vibrant environment where a team of positive people come together every day with one simple goal: giving our children the very best start in life.

Being ranked number one in Milton Keynes and Buckinghamshire is an exceptional milestone, but we know those numbers only exist because of our people. We go beyond the standard curriculum to inspire a lifelong love of learning, ensuring every child has the tools to succeed and thrive in an ever-changing world.

If you want to work where your commitment is valued and your impact is visible every single day, TPA is where you belong.

### What We Offer

- **Exceptional Teaching Environment:** We provide a positive and calm working atmosphere, underpinned by well-established systems and routines that allow you to focus on high-quality teaching.
- **Motivated and Engaged Learners:** Our children are happy, eager to learn and exhibit excellent behaviour.
- **World-Class Facilities:** Our resources and learning environments are second to none nationally and truly need to be seen to be believed.
- **Bespoke Professional Growth:** Access to a well-established programme of core training, further enhanced by personalised professional development tailored to your specific career goals.
- **A Proven Leadership Pipeline:** We invest in your future; we have qualified over 30 trainee teachers onsite and seen 12 staff members promoted to leadership positions nationally.
